

In yet another knowledge sharing initiative, Swamy Associates would be publishing a fortnightly FLYER, which would carry the pivotal aspects of the ensuing tax reform, the GST.

This GST Flyer would be carrying a crisp yet pensive analysis of various aspects of the GST and also some researched articles on the GST law and its framework. We shall also be carrying a column of Latest News, wherein the latest happening around GST would be covered and reported.

Apart from the above, Ms. Sindhu Mangat, advocate, the editor of this GST flyer and would also be addressing the questions and issues raised under a column FAQ.

Starting its first edition on 22nd September 2016, this GST flyer would be a fortnightly edition and would be published on the 7th and 22nd of each month. For ease, the first edition of every month would be in blue and the second edition of the month would be in sunshine orange.

We hope that this new *pro-bono* initiative would be of immense use to the readers and help us all to get ready with required confidence to face the mighty tax revolution in India.
